

# Our Revolution (OR) has three goals:

- Revitalize American democracy
- Empower progressive leaders
- Elevate political consciousness

Our Revolution Massachusetts (ORMA) will meet them four ways:

1. Support OR as a state chapter
2. Maintain working committees to meet statewide objectives.
3. **Motivate & support affiliates and caucuses participation in ORMA**
4. **Launch and cultivate new OR affiliates across the state**

The **Field and Affiliate Support Team** (FAST) are volunteers committed to numbers 3 and 4.

**To succeed, FAST needs YOU:**

- **Customers:** growing affiliates and un-affiliated members asking ORMA for statewide help.
- **Volunteers:** to help do that work.

## Volunteer in FAST

FAST needs **new volunteer organizers now to meet with eager new affiliates** within driving distance. This is a great opportunity to **connect with other motivated progressives and travel to new places** in Massachusetts.

## Why we need more affiliates across MA:

Unaffiliated OR members need our help establishing new affiliates in new places, like rural areas that voted for Trump. Though these are challenging places to start affiliates, they can also have the most impact.

ORMA FAST can help these new groups form by sharing data and tools, and by helping plan events for recruitment and fundraising.

FAST also sustains new affiliates with organizational development and other training needs.

**FAST surveyed ORMA affiliates, who said that when they were new, they could have used help with:**

1. Organizational Development
2. Data & Communications
3. Recruitment & Fundraising
4. Legal & Financial advice

## Why we need strong affiliates in the RC:

Members of the Representative Council say they need ORMA's help to grow into larger, more effective affiliates better able to win campaigns, advance issues, and build coalitions.

When affiliates and caucuses stop being active and healthy, those they send to the Representative Council are no longer accountable to others.

FAST surveyed ORMA affiliates, who said they could use help with:

1. Field organizing help to recruit members and keep them active
2. Coalition building with allies for issue & electoral campaigns
3. Data & communications
4. GOTV (software, strategy, data) help set up call centers.

**FAST is ready to help, but needs more volunteers to do so at scale.**

## FAST helps build a stronger ORMA!
